

Park prirode - Rijeka Zeta - dolina Zete je čudesna i prirodna baština, sa brojnim mostovima i plažama, zapravo velika prirodna galerija ljepote i simfonija boja, zvukova i oblika pod otvorenim nebom. Zeta je pravi vodni i ribolovni dragulj, sa autohtonom pastrmkom i drugim vrstama riba. Teče kroz Bjelopavličku ravnici u dužini od 51km, i uliva se u Moraču naspram antičke Duklje. Pod otvorenim nebom, vječita inspiracija za pjesnike i književnike.

Naročito tokom ljeta na Zeti se organizuje niz kulturno-zabavnih i sportskih manifestacija.

Nature Park - River Zeta - Zeta valley is amazing and natural heritage, with numerous bridges and beaches. It actually represents the great gallery of natural beauty and symphony of colors, sounds and shapes under the open sky. Zeta is a real jewel of the water and fishing, with indigenous trout and other fish species. It flows through the valley of Bjelopavlici. Its length is 51km and it flows into the Moracha towards ancient Duklja.

Especially during the summer, there are series of cultural, entertainment and sporting events.
